On the date of its incorporation, the Association duly adopted a set of administrative operating rules called By-Laws. The By-Laws of Wood Ridge Homeowners' Association, Inc. are attached hereto.

- 3.03 Voting Rights.** Each Owner shall be entitled to the number of votes in the affairs of the Association that equals the number of Lots owned by that Owner. If such Lots are owned by more than one Person, each such Person shall have a fraction of a vote equal to his, her or its undivided interest in that Lot.
- 3.04 Administration of Property.** The administration of the Property shall be in accordance with the provisions of the Organizational Documents. Each Owner, tenant or occupant of a Lot shall comply with the provisions of the Organizational Documents and the decisions and resolutions of the Association or its representative.
- 3.05 Board of Trustees.** The Board of Trustees elected as provided by the By-Laws shall exercise the powers, discharge the duties and be vested with the rights conferred by operation of law, the Organizational Documents, except as otherwise specifically provided; provided, however, that in the event any such power, duty or right shall be deemed exercisable or dischargeable by or vested in a member of the Board of Trustees he shall be deemed to act in such capacity to the extent required to authenticate his acts and to carry out the purposes of the Organizational Documents.

 - (b) That any such contract is terminable by either party without cause upon sixty (60) days written notice without any termination charges or other penalties.
 - (c) That any such contract entered into by the Declarant prior to the time it releases or relinquishes control of the Association shall terminate when the Declarant releases or relinquishes such control unless such contract is renewed by a vote of the Owners at the meeting called for purposes of turning over control of the Association.

3.08 First Meeting. The first meeting of the Association shall occur within thirty (30) days after the expiration of the Development Period.

3.09 Indemnification of Trustees. Officers, Employees. Agents and Volunteers. To the extent permitted by law, the Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed civil, criminal, administrative or investigative action, suit or proceeding, other than an action by or in the right of the Association, by reason of the fact that he or she is or was a trustee, officer, employee, agent or volunteer of the Association, or is or was serving at the request of the Association as a Trustee, officer, employee, agent or volunteer of another corporation, domestic or foreign, non-profit or for profit, or a partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, if he or she had no reasonable cause to believe his or her conduct was unlawful.

The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a Trustee, officer, employee, agent or volunteer of the Association, or is or was serving at the request of the Association as a Trustee, officer, employee, agent or volunteer of another corporation, domestic or foreign, non-profit or for profit, or a partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interest of the Association, except that no indemnification shall be made in respect of any claim, issue or matter as to which the person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Association unless, and only to the extent that, the court of common pleas or the court in which the action or suit was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court deems proper.

Any indemnification under this Section 3.09, unless ordered by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Trustee, officer, employee, agent or

volunteer is proper in the circumstances because he or she had met the applicable standard of conduct set forth above. This determination shall be made (a) by a majority vote of a quorum consisting of Trustees of the Association who were not and are not parties to or threatened with the action, suit or proceeding, or (b) whether or not a quorum is obtainable, and if a majority of a quorum of disinterested Trustees so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for the Association or any person to be indemnified within the past five years, or (c) by the members, or (d) by the court of common pleas or the court in which the action, suit or proceeding was brought. Any determination made by the disinterested Trustees or by independent legal counsel as described above shall be promptly communicated to the person who threatened or brought the action or suit by or in the right of the Association and within ten days after receipt of such notification, that person shall have the right to petition the court of common pleas or the court in which the action or suit was brought to review the reasonableness of this determination.

The indemnification provided in this Section 3.09 shall not be deemed exclusive of any other rights to which the person seeking indemnification may be entitled under the Articles of Incorporation, or any agreement, vote of members or disinterested Trustees, or otherwise, both as to actions in his or her official capacity and as to actions in another capacity while holding office, and shall continue as to a person who has ceased to be a Trustee, officer, employee, agent, or volunteer and shall inure to the benefit of the heirs, executors and administrators of that person.

ARTICLE IV **EASEMENT(S)**

- 4.01 Easements for Repair, Maintenance and Restoration.** The Association shall have a right of access and an easement to, over and through each Lot during reasonable hours and upon giving reasonable notice for ingress and egress and all other purposes which enable the Association to perform its obligations, rights and duties with regard to maintenance, repair, restoration or servicing of any items, Lots, things or areas of or on the Property, including the removal, correction or abatement of any violation or breach of any attempted violation or breach of the covenants and restrictions herein.
- 4.02 Easement for Telephone, Utilities and Cable Television.** The Association may hereafter grant easements on behalf of Owners to entities for telephone and utility purposes for the benefit of the Property and also the installation and maintenance of cable television lines for the benefit of the Property and/or individual Lots.

- 4.03 Easement for Surface Water.** Any Lot area designated for the natural flow of surface water shall be at all times kept free from any obstruction to such natural flow of surface water. No Owner that has a natural spring on his Property shall dam, alter, pollute or in any way change its present configuration or flow. Further, no Owner shall dam up or block the flow of any ravine or any natural runoff without the approval of the Design Review Committee and the approval of Greene County Engineers. **Every owner and his builder is responsible for checking the construction drawings with McDougall—Marsh Land Surveyors , to make sure a lot is graded correctly to maintain the flow of water, both on the individual’s lot and all of the surrounding lots.**
- 4.04 Easement for Street Monuments.** Declarant reserves for the benefit of Declarant, all Owners, occupants of Lots and the Association easements for street monuments and any other monuments or markers installed for the use and benefit of Owners and occupants of Lots, which such easements shall be more particularly described and located in subsequent amendments to this Declaration. No improvement may be placed on any part of any Lot that will materially impede the free and normal use of those easements. Declarant reserves the right and easement for itself, its successors and assigns, to enter upon the easement areas in order to install, maintain, repair, use and/or replace such monuments and markers. Declarant, its successors and assigns, shall carry liability insurance protecting against damage to such monuments and markers and the related easement area. The easements and rights granted and/or reserved in this Declaration are easements appurtenant, running with the land which comprises a part of the Property, perpetually in full force and effect.
- 4.05 Consent to Easements.** Each Owner hereby grants, and the transfer of title to an Owner shall be deemed to grant, the Declarant and/or the Association an irrevocable power of attorney to execute, acknowledge and record, for and in the name of such Owner and his mortgagee or mortgagees, such instruments as may be necessary to effectuate any easements granted or reserved by the Declarant and/or the Association in this Article.
- 4.06 Maintenance of Easements.** Each Owner shall be responsible for the maintenance of the easement area on their Lot. Any improvements made on or under any easement shall be made at the risk of the Owner of the Lot on which such improvements are made, and in no case shall any improvements, alteration or construction upon such easement be made without the approval of the Engineer of Greene County, Ohio.
- 4.07 Easements Shall Run With Land.** All easements and rights described are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the Declarant and any Owner,

purchaser, mortgagee, and any other person having an interest in the Property or any part or portion thereof. Failure to refer specifically to any or all of the easements described in this Declaration in any deed of conveyance or in any mortgage or other evidence of obligation shall not defeat or fail to reserve said easement but same shall be deemed conveyed or encumbered along with the Lot.

- 4.08** **Access Easements.** No driveways, walkways or sidewalks shall be erected, placed or permitted to remain within twenty-five (25) feet of the rear lot line, except corner Lots, and no Lots in Wood Ridge Subdivision shall be used for access to adjoining grounds by vehicular traffic . Access by farm machinery and/or garden equipment shall be allowed for agricultural purposes only.

ARTICLE V **ASSESSMENTS**

- 5.01** **Creation of Lien and Personal Obligation of Assessments.** For each Lot owned within the Property, Declarant hereby covenants and each Owner by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay the Association: (a) Annual Assessments; and (b) Special Individual Lot Assessments, such assessments to be established and collected as hereinafter provided. Such assessments, together with interest, costs and reasonable attorneys' fees shall be the personal obligation of each Owner.

- 5.02** **Purpose of Annual Assessment.** The Annual Assessments shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Property and the enforcement of these restrictions. The assessments shall include, without limitation, the following Common Expenses:

- (a) Maintenance and repair of those items which have been assigned to the Association hereunder.
- (b) Insurance premiums for insurance obtained by the Association.
- (c) Costs for the operation, management and administration of the Association, including without limitation, fees for property management, fees for legal and accounting services, fidelity bonds, cost of mailing and postage.
- (d) A general operating reserve to assure the availability of funds for the purposes hereunder.

- 5.03 Owner's Share of Annual Assessments.** Each Owner's initial share of the Annual Assessment shall be Five Hundred Dollars (\$500.00) per Lot per year .
- 5.04 Preparation of Estimated Budget.** On or before January 31st of the following year, the Association shall prepare an estimate of the total amounts necessary to pay the cost of wages, materials, insurance, services and supplies which will be required during the ensuing calendar year for the rendering of all services, together with a reserve for contingencies and replacements. On or before February 28th, each Owner shall be notified in writing as to the amount of such estimate, with reasonable itemization thereof. On or before the date of the annual meeting in each calendar year, the Association shall supply to all Owners an itemized accounting of the maintenance expenses actually incurred for the preceding calendar year, together with a tabulation of the amounts collected pursuant to the estimate provided; and showing the net amount over or short of the actual expenditures plus reserves.
- 5.05 Fiscal Year Option.** In lieu of the calendar year format, the Board of Trustees may elect to adopt a fiscal year. In such event, the requirement for the preparation of the estimated budget shall be the first day of the month immediately preceding the beginning of such fiscal year and notices of such estimate shall be forwarded on or before the 15 day of such month. In such event, assessments shall commence on the first day of the fiscal year and payments shall be adjusted accordingly.
- 5.06 Reserve for Contingencies and Replacements.** The Association shall build up and maintain a reasonable reserve for contingencies and replacement. Extraordinary expenditures not originally included in the annual estimate that may be necessary for the year shall be charged first against such reserve. If said estimated cash requirement proves inadequate for any reason, including non-payment of any Owner's assessment, the same shall be assessed to the Owners according to each Owner's share of the assessments. The Association shall serve notice of such further assessment on all Owners by a statement in writing giving the amount and reasons therefore and such further assessment shall become effective within ten (10) days after the delivery or mailing of such notice of further assessment. All Owners shall be obligated to pay the adjusted amount.
- 5.07 Budget For First Year.** When the first Board of Trustees hereunder takes office, the Association shall determine the estimated cash requirement, as hereinabove defined, for the period commencing thirty (30) days after said election and ending on December 31st of the calendar year in which such election occurs.
- 5.08 Failure to Prepare Annual Budget.** The failure or delay of the Association to prepare or serve the annual or adjusted estimate on the Owner shall not constitute a

waiver or release in any manner of such Owner's obligation to pay the maintenance costs and necessary reserves as herein provided, whether the same shall be determined. In the absence of any annual estimate or adjusted estimate, the Owner shall continue to pay the maintenance charge at the existing rate established for the previous period until the maintenance payment which occurs more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered.

- 5.09 Books and Records of the Association.** The Association shall keep correct and complete books and records of account, specifying the receipts and expenditures relating to common receipts and expenses, together with records showing the allocation, distribution and collection of the common profits, losses, and expenses among and from the Owners, and minutes of the proceedings of the Owners and Board of Trustees. Such books and records shall be open for inspection by any Owner or any representative of an Owner duly authorized in writing, at reasonable times and upon request by an Owner. If, by terms of a first mortgage, an Owner has authorized such mortgagee to inspect such books and records, the presentation to the secretary of the Association by a representative of such mortgagee a copy of the mortgage containing such authorization shall constitute written authorization of such inspection. Upon ten (10) days notice to the Board of Trustees and upon payment of a reasonable fee, any Owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Owner.
- 5.10 Commencement of Assessments.** Annual Assessments shall begin with respect to each Lot on the date on which the deed transferring title to such Lot from Declarant to an Owner is Recorded. On such date the amount payable shall be a pro-rated amount determined as of such date until the next payment date.
- 5.11 Payment of Assessments.** Assessments shall be payable on an annual basis, or as determined by the Board of Trustees, but shall be paid in full on or before January 30 of each year, whether invoiced or not.
- 5.12 Declarant's Obligations to Pay Assessments.** Notwithstanding any provisions hereof, Declarant shall have no obligation to pay annual Assessments for the Lots owned by it; except that Declarant will pay to the Association an amount equal to the difference between the actual operating expenses of the Association and the aggregate of the yearly assessments paid by the Owners, other than Declarant. Declarant's obligation to pay said deficiency shall cease when Declarant relinquishes control of the Board of Trustees, at which time Declarant shall pay the yearly assessment for each Lot owned by it.

- 5.13 Special Individual Lot Assessment.** Notwithstanding anything to the contrary herein, if the Association shall incur any cost or expense for or on account of any item of maintenance, repair or other matter directly or indirectly occasioned or made necessary by any wrongful or negligent act or omission of any Owner, such cost or expense shall be borne by such Owner and not by the Association, and if paid by the Association shall be paid or reimbursed to the Association by such Owner as a Special Individual Lot Assessment.
- 5.14 Abandonment.** No Owner may exempt himself from liability for his contribution toward the Common Expenses by the abandonment of his Lot.
